The following information is based on all 883 individuals who completed the PIT survey, including those who selected "Prefer not to answer."

HOW LONG HAVE YOU BEEN IN THIS CURRENT COUNTY?

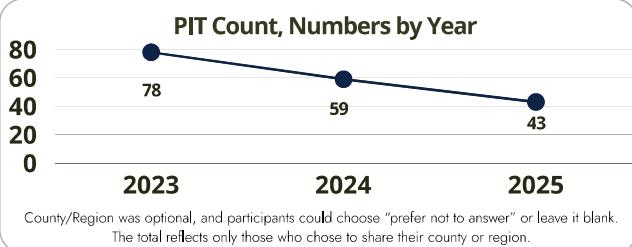

*This graph illustrates the percentage of the total population in each county, not the actual count. The Northwest Region did not collect this data and has been left off this infographic. Those who were surveyed, during the 2025 PIT count, were asked how long they had been in that county, rather than that region. The counties within each region were totaled to reach these percentages.

Northwest Point-in-Time (PIT) Count 2025

**Due to limited data collected during the 2025 Point-in-Time (PIT) Count,
we are unable to provide a reliable data snapshot for this region.
Efforts are underway to improve participation and data accuracy in
future counts.**

Southwest Point-in-Time (PIT) Count 2025

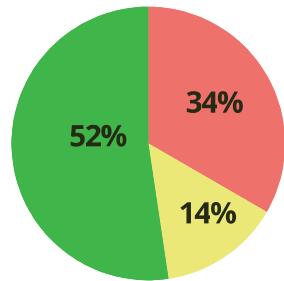

Barton County
2 Sheltered
10 Unsheltered

Finney County
4 Sheltered
11 Unsheltered

Seward County
12 Sheltered
0 Unsheltered

*These counts represent the counties with the highest numbers among respondents who chose to indicate which county they were in. This does not reflect the total count for all counties, as respondents had the option to select "prefer not to answer" regarding their county. The data reflects responses collected during the PIT count on the night of January 22, 2025.

How long have you been in the County?

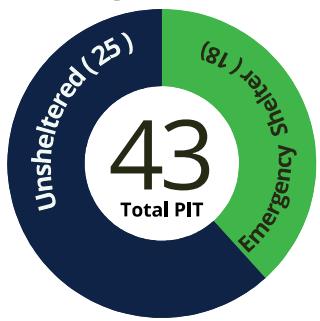

Though HUD does not require this question during the PIT survey, the Balance of State (BoS) CoC asked PIT participants how long they had resided in the county in which they were surveyed. This question was optional, and participants could choose "prefer not to answer" or leave it blank.

Chronic Determination

2

Regional chronic homelessness determinations are based solely on self-reported information regarding HUD-identified disabilities and the documented amount and duration of time spent experiencing homelessness.
